

SAFETY STAIR RODS

PREVENTING SLIPS AND TRIPS WHEN USING DUST SHEETS ON STAIRS

Why put yourself or your workforce at risk?

Innovative Safety Stair Rods lock into position to ensure dust sheets stay put. Making any work above stairs extremely safe every step of the way! Stair rods are ideal for use when painting, decorating or carrying out general home maintenance.

- ✓ Dust sheets stay where you put them
- ✓ Helps protect carpets, runners & floors
- ✓ Exhaustively tested and approved for use by British Gas
- ✓ 14 spring loaded stair rods lock into position for safety
- ✓ Stair rods have a working range from 28" to 40"
- ✓ Set comes in a convenient protective carry bag

Keep up with the ever increasing demands of Government Health and Safety legislation
